Ever seen a lot of youngsters, keen and and hopeful, start to crawl
Up along a shaky ladder they had leaned against a wall?
That's the way our heroes scrambled to-delphia.
Ever seen the foresaid youngsters when they'd most got to the top Meet with unforeseen obstructions that persuaded 'em to stop? that's the way our heroes faltered when they'd scaled a dizzy height;
That was almost their ambition-merely almost, but not quite.
